

ENVIRONMENTAL POLICY

Our Purpose:

to bring world-class connectivity to rural businesses and residents in Ridgehill, Herefordshire

and to be a net positive contributor to the environment

Scope

This policy applies to the Ridgehill Residents Community Network CIC. We engage with customers and contractors to encourage them to follow this policy

Aims

Our aims are to:

1. Reduce the environmental impact of our operations, supply chain and customer solutions
2. Help our customers and contractors to reduce their own environmental impact

Guiding Principles

To ensure our environmental policy is relevant, progressive, and regularly updated, the Board of RRCN promulgates and reviews the performance of our Environmental Policy annually.

Environmental Commitment

Our environmental management system provides a framework for the management and reporting of environmental performance to the board. Our overarching commitments include:

- Continual improvement of our environmental management system, and to minimizing environmental harm and preventing pollution
- Maintaining compliance with applicable legal requirements and with other requirements to which we have subscribed

Stakeholder Engagement and Policy

We engage with our stakeholders in relation to environmental issues with the objective of driving forward progressive and ambitious action to protect the environment and mitigate the impact of climate change

Reporting and Assurance

We monitor progress and publish details of our environmental performance in our Annual Report on an annual basis
